To change an editor's abbreviations:

1. Choose Tools > Options from the main window.
2. Expand Editing and Editor Settings.
3. Select the editor.
4. Click the ellipsis (...) button for Abbreviations.

To change editor-specific keyboard shortcuts:

1. Choose Tools > Options from the main window.
2. Expand Editing and Editor Settings.
3. Select the editor.
4. Click the ellipsis button for Key Bindings.

To change IDE-wide keyboard shortcuts:

• Choose Tools > Keyboard Shortcuts from the main window.
